

February 17, 2010

Dear Travel Partner,

We are ready to help you plan for the upcoming season and have enclosed our 2010 rate sheet. We want to make sure you have all the details now, and encourage you to make your reservations well in advance!

Celebrity Coaches has added "Eco-friendly vehicles to its fleet!"

The new vehicles offer upgraded amenities while maintaining its green technology. The vehicles have special filters to reduced CO2 emission. ACERT Technology, (air management, precision combustion, advanced electronics and after-treatment).

We have also upgraded our limousine style coaches and have implemented the use of bio-diesel on almost all our fleet.

For your convenience, we have group specialists that can assist you with all your group needs. Your group sales coordinator will handle your transportation needs from beginning to the end. We take pride in taking a hands-on approach and servicing your clients on a personal basis. Each group will be greeted at their pick up point by our friendly chauffeurs, meet & greet service (upon request), professional signage bearing your logo upon your approval, and a follow up pre and post trip.

For additional information on group rates, reservations and our exciting packages such as Champagne Night Tour*, Airport Transfer Packages, Shuttle Packages, and Special Events Transportation Package, please contact our Group Sales Office at (702) 736-6491 or info@celebritylasvegas.com.

We want to thank you for your support and we are looking forward to welcoming your customers aboard Celebrity Coaches in 2010.

Regards,

Paulina Salen
